EMLC Highland invites you to a FREE seminar

How to Sponsor People from Abroad
Monday 7th September 2009
2.00pm—4.00pm
Town House, Inverness

This seminar provides important information on how to sponsor people from abroad in their applications for visas whether for visits, family settlement, study or work. We will also look at the rights and entitlements people from abroad have when they come to the UK. This seminar is aimed at members of the public who may wish to sponsor family members, students or employees from abroad. The seminar will also provide useful information for those working across the voluntary and statutory sectors.

I wish to book.....place(s) on the How to Sponsor People from Abroad seminar.
